Tigers decline provincial final trip

The Thompson Okanagan Junior Lacrosse League champion Vernon Tigers have declined to play a onegame, winner-take-all B.C. Junior B Tier 1 provincial final, citing finances and other reasons.

The Tigers, who completed a three-game sweep of the Kamloops Venom for the TOJLL playoff crown July 19, were of the belief they were to have played the B.C. League winner on Saturday in Coquitlam, regardless of who won the playoffs featuring teams from the Lower Mainland and Vancouver Island.

The Victoria Shamrocks and Coquitlam Adanacs were the top two teams in the season, and the favourites to advance to the league final. Victoria beat Coquitlam two games to one to win the playoff championship.

“I started looking around and seeing what was available for hotels and busing with the belief the game was going to be played in Coquitlam,” said Tigers general manager Duane Barr. “My understanding was the game was going to be Coquitlam no matter who won. I was then told by the commissioner of the league down there that we would play the winner of the league, so if it was Coquitlam, it would be in Coquitlam. If it was Victoria, it would be in Victoria.

“I said, ‘there’s no way I can go to Victoria on short notice (Victoria wrapped up playoffs Monday).’”

If Coquitlam had won, said Barr, the provincial final would be scheduled to be played one day before the Adanacs head east to Akwesasne, Ont. for the Founders Cup Canadian Junior B championship.

“I’m way more financially responsible to my team than to go (to provincial final) for one game,” said Barr. “We were looking at \$5,000 to go to Coquitlam. It would have been more with the ferries to go to Victoria.

“I would have loved to have gone down there to see how we stacked up against those guys. We had a pretty good team this year (only one loss in regular season and playoffs) and I think we’ll have a good team next year.”

The TOJLL decided at last year’s annual general meeting to go up to Tier 1 (Vernon hosted four-team Tier 2 provincial championship tournament in

2017) with an understanding there would be no provincial championship in 2018.

Barr said midway through the season, TOJLL governors wanted to see how the league would fare and proposed a one-game, winner-take-all provincial final.

The 2018 BC Lacrosse Association AGM will be held in Whistler.

“Our league needs to put forward a proposal with the senior directorate to get a true Tier 1 provincial championship, whether it’s a three-game series or similar to the Tier 2 provincials like last weekend in Westshore (Victoria),” said Barr. “That way you can plan for it better and be ready.”
